

Product Brochure
Lift King KC-LX035 High-Rise Scissor Lift

Overview

Both the commercial work shop and home garage will find the Lift King KC-LX035 the perfect tool for general auto service and tyre work as it gives uninterrupted access to all parts of the vehicle at a comfortable full standing working height.

The KC-LX035 has been constructed to a very high standard using superior mechanical and electrical components. It has passed strict EC type examinations and Australian Certification, so it's built tough to last!

Lift King KC-LX035 is a full rise scissor lift with a low profile and high lift capacity.

- 3200kg lift capacity
- Full 1830mm lift height
- Low 115mm minimum height clearance
