Lift King BC-4P 4-Post Portable Boat & Caravan Parker

Overview

The Lift King BC-4P Boat and Caravan Parker is a 4.0T portable 4-post hoist with the extra width between platforms to accommodate a boat or caravan either parked below or sitting above the runways. This hoist comes standard with the superior build and all the quality features of our up-market 4-post hoists like...

- Latest 3rd generation 'wrap-around' carriage design and full box section posts for added stability
- Castor kit for portability, move it anywhere with confidence
- Thicker gauge steel and cables
- Light weight aluminium drive-on ramps
- Extra lift height
- Extra platform length
- Extra width with adjustable slave platform to fit most size wheel bases
- Simple but reliable single point manual safety release lock system
- International CE Certification
- Two tone powder coated finish with diamond plate design
- LIFETIME STRUCTURAL WARRANTY (private use)

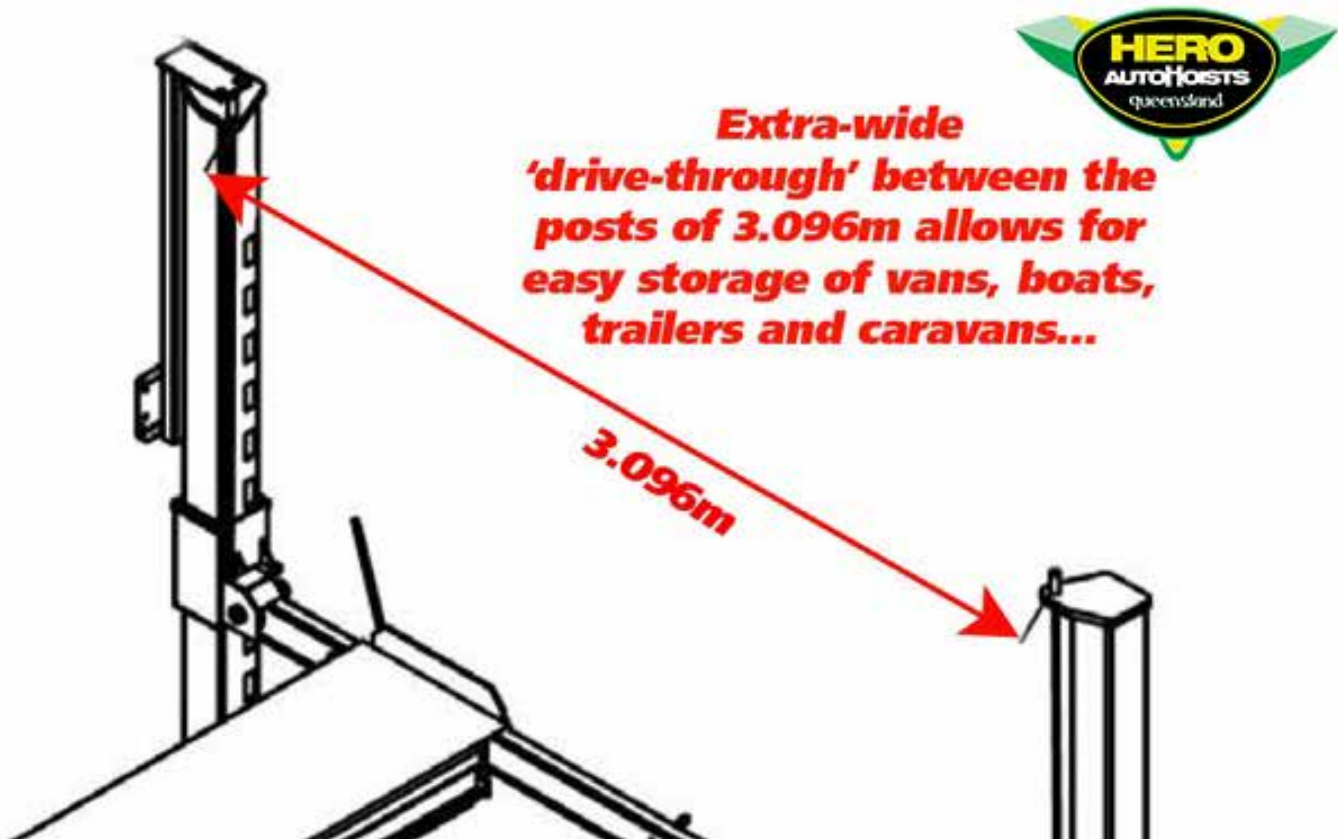

Extra wide for your boat or caravan
