## 4-POST PORTABLE BOAT, TRAILER & CARAVAN PARKER LIFT KING BC-4P

*Extra **wide** for your boat, trailer or caravan*

The Lift King BC-4P Boat, Trailer and Caravan Parker is a 4.0T portable 4-post hoist with the extra width between platforms to accommodate a boat or caravan with trailer either parked below or sitting above the runways.

This hoist comes standard with the superior build and all the quality features of our up- market 4-post hoists including...

- *Latest 3<sup>rd</sup> generation 'wrap-around' carriage design and full box section posts for added stability*
- *Castor kit for portability, move it anywhere with confidence*
- *Thicker gauge steel and cables*
- *Light weight aluminium drive-on ramps*
- *Extra lift height*
- *Extra platform length*
- *Extra width with adjustable slave platform to fit most size wheel bases*
- *Simple but reliable single point manual safety release lock system*
- *International CE Certification*
- *Two tone powder coated finish with diamond plate design*
- *LIFETIME STRUCTURAL WARRANTY (private use)*
