

SINGLE POST 1000kg MOWER & UTV SERVICE HOIST

(Model: 167262A)

Overview | [Download Brochure](#) | \$3,795 (inc GST)

Overview:

The LK-M/UTV single post Lawnmower & UTV Service Hoist is a 1000kg capacity lift engineered for servicing virtually any type and size of ride-on mower, light tractor, golf cart UTV's and even light cars.

An open platform and open sides allow for quick and easy access from all angles, and with a 1950mm lifting height you won't be bending your back. Adjustable drive on ramps and platforms accommodates a variety of vehicles.

The electro-hydraulic power unit and manual operation safety lock release is easy to operate to give reliability and safety in a busy commercial workshop.

Features:

- **Universal** – designed to work with most sizes of mowers, light tractors, golf carts and UTV's
- **High Lift** – up to 1950mm clearance gives full height serviceability to the underside of the vehicle
- **Accessibility** – open platforms and sides allow full access from all angles
- **Versatility** – removable drive on ramps and adjustable width platforms up to 1.70m wheel span
- **Three Directional Drive On** – guardrails can be easily removed when driving on (advisable to drive on from the sides)

Applications:

Golf Carts

Ride on Mowers
